

Admission Arrangements for Settlebeck School for 2018/19

Settlebeck School is a successful comprehensive school, serving Sedbergh and a large surrounding rural area. Students achieve highly in their examinations at 16.

The Admission Number

The school has set a Published Admission Number of 44 for September 2019.

The Admissions Policy

Admission arrangements will follow those of Cumbria LA in so far as use of the Cumbria LA application form, preference arrangements and application deadlines are concerned. For September 2019 transfers, these forms will be distributed to all County Primary and Junior schools with a deadline for return of October 2018. The forms will explain how parents apply, how they express their preferences and the specific deadlines which they need to abide by.

Where there are more applications than places available, entry to all year groups will be prioritised using the criteria below. They will be applied in conjunction with the explanatory notes 1 to 3 which form part of the policy.

1. Children looked after and children who were previously looked after – **see note 1 below.**
2. Children living in the catchment area who have siblings in the school at the time of admission – **see note 2 below.**
3. Other children living in the catchment of Sedbergh, Dent, Hawes, Grayrigg CE, Old Hutton and Tebay primary schools – **see note 3 below.**
4. Children living out of catchment area with siblings in the school – **see note 2 below**
5. Children living outside the catchment area, giving priority to those who live the closest to the school. Distance will be calculated using AA AutoRoute – **see note 3 below**

Note 1

A child looked after is a child in public care, who is looked after by a local authority within the meaning of Section 22 of the Children Act 1989. Children previously looked after are children who were looked after, but have ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order).

Note 2

In criteria 2 and 4 priority will be given to those children with the youngest siblings in school. Brothers and sisters are those living at the same address and includes step and foster children. Priority will only be given where it is known at the time of allocating places that a sibling will be attending the school at the time of admission.

Note 3

In criteria 3 and 5 priority will be given to those living closest to the school. The distance will be measured from the child's front door to the main entrance of the school using the AA route map.

Local Authority transport***“LA statement on entitlement to free home-to-school transport.***

Under the Authority's current policy, pupils are entitled to free home-to-school transport if they are attending their catchment area school, and the distance between that school and their home address exceeds three miles (in the case of children of secondary school age). The catchment area school is that determined by the Authority for home-to-school transport purposes and, in the case of Settlebeck School, it should be noted that the Authority's definition of the school's catchment area does not automatically correspond with those of the feeder primary schools listed in the school's prospectus. (For example, children living within the catchment area of Castle Park, Stramongate and Ghyllside do not fall within the catchment area of Settlebeck School under the Authority's definition). Children would not, therefore, necessarily qualify for free home-to-school transport if they were to attend Settlebeck School. Parents who wish to know their catchment area schools for school transport purposes should contact the School Places Team for advice. In addition, the Authority is obliged to provide free transport to the nearest maintained school to the pupil's home, if this is other than the catchment area school. The same qualifying distance applies. Distances are measured by the most direct route using roads adopted and maintained by the Highways Authority.”

Private transport

Private transport is available from Kendal to Settlebeck School at a cost of £800 per year (£4 per day) The cost is based on current rates and may be subject to change. Please contact school for details.

Special Needs

Settlebeck School is designated as a school with strategic facilities to cater for children with special educational needs in the area of Autistic Spectrum conditions. Applications should be made as early as possible to enable a transition programme to be put in place.

If the school is oversubscribed, applications will be prioritised according to the criteria explained above. In addition, the Admission Authority for Settlebeck School will maintain a waiting list for the reallocation of any places that become available after March 2019, ranking children in the same order as the published oversubscription criteria.

However, an exception will be made where, under the LA's arrangements for the education of children with special needs, a child holds a statement of SEN or is currently being assessed and has been identified as having an autistic spectrum condition, and it is considered that attendance at Settlebeck School is necessary to meet those needs. Such an exceptional admission would be subject to the maximum limit of 6 at any one time (and to the limit of 2 in any one year group).

For further information and information on admissions other than in Year 7, please contact Christine Kendal on 015396 20838 or by emailing office@settlebeck.org
