

Following the performance by Sedbergh Community Orchestra to year 7 and 8, which was enjoyed by students and players, we would like to let you know of an opportunity to learn some of the more unusual instruments we heard.

Sedbergh Pepperpot Club was set up by the orchestra. Recently, as a result of a generous gift, they have been able to set up the **Astle-Pepperpot Fund** and to purchase a new **oboe**, **bassoon** and **French horn**. These, along with other instruments, including the double bass, are available to borrow for only the cost of the insurance premium (£5-20 per year, depending on the instrument). Not only that, but **Sedbergh Pepperpot Club** will pay for lessons for a year. After this, the **Freda Trott Musical Foundation** will provide substantial grants towards lesson costs.

This wonderful opportunity could provide lots of pleasure and fun making music, so don't miss out! Apply now by emailing Shirley Smith at yantethera@gmail.com
