Pupil Premium Grant Planned Expenditure 2019-20

Pupil Premium is additional funding provided to schools for supporting disadvantaged pupils aged 11-16 to ensure they reach their full potential and educational inequality is reduced. Schools should use this money to ensure better outcomes for the most disadvantaged, as well as showing impact of any intervention. The funding received is not attached to a particular child but is intended to support this group of children to achieve their full potential. At Settlebeck School we believe that all students should be assisted to achieve their academic potential. Students who are not classed as pupil premium are not disadvantaged but are still able to access help and support as necessary (within the scope of the funding available).

There are four categories of children that qualify for pupil premium funding:

- Children eligible for free school meals or have been during the last 6 years (PPG).
- Looked after children (PPC)
- Services children (PPS).
- Children adopted from care in England (where parents have informed the school) (PPA)
